

My Life Change Story

Date: _____

Here at Circleville First Baptist Church, we are committed to life change. A great step in your life journey is to get your story out there. This allows us to celebrate with you about how God is at work in your life. Also, it inspires others to grow in their faith. Tell us your story. Fill out this form and return it to our pastor.

Your story can be told in a worship service or be recorded in a video format by someone from our Media Team.

Be sure to tell:

1. What my life was like before...

What were your circumstances, attitudes, what was most important to you?

2. How God changed my life....

How did God get your attention?

What steps did you take? What motivated you? What problem, hurt, or need did God help you with?

3. What my life is like now...

What benefits have you experienced?

What problems have been resolved?

How has it helped your relationships?

Give an example or two.

This simple outline can be used for any event or phase of your life. It could be used to tell about your conversion to Christ, how you overcame an addiction, how you dealt with a problem, faced a loss through death, etc.

For more information on how to share your story, please contact Pastor Billy at billy@circlevillefbc.org or call him at 740-474-6074.
